## 2016 Year-In-Review

**As we welcome 2017, let's take a look back at all we have accomplished in 2016 here at Greenberg, Wexler & Eig:**

- In 2001, Scott, David and Keith got together to form Greenberg, Wexler & Eig. 15 years later, they celebrated their anniversary at Cescio along with friends, family, clients & advisors.
- Bill Webster joined GWE as an Insurance Advisor and Kelsey Flinko joined as the new Administrative and Marketing Assistant in July.
- Cassi Teti has been promoted from the Administrative and Marketing Assistant to the new Case Design Associate—she is responsible for illustrations and case design. Also over the summer, Cassi got engaged!
- Under the leadership of Scott Greenberg, GWE co-sponsors the Family Business Forum of Washington, DC. The mission of this forum is to promote and foster the growth and ongoing success of family businesses throughout the DC metropolitan region. They have had several successful presentations, including the inaugural presentation by Shelia Johnson.
- Nicole Calaro got her life insurance license.
- Nicole was recognized by the Archbishop of Washington when she was awarded the “Manifesting the Kingdom” award for outstanding service to her church. An example of her service includes her participation in the Catholic Charities Community Living program, where she accompanies adults with disabilities to the market and other daily chores.
- Matthew Friedson brought in 2016 by getting married to Jessica on New Year's Eve 2015!
- David Wexler continues to guest lecture at the Georgetown Law Center for the LLM program.

### Volunteer Day 2016:

The GWE office spent a great morning at the Washington Humane Society, now the Humane Rescue Alliance, over the summer. Our staff spent time making toys for cats and dogs, and playing with many of the sheltered animals. David Wexler stole the show when he read poetry to an anxious kitten.

Lastly, we sponsored Moon, a hound dog staying at the shelter. Our sponsorship provided funds for his bedding, treats, food, toys and medical care to make his stay as comfortable as possible. Moon is pictured on the left, sharing a moment with Matthew. Fortunately, soon after sponsoring Moon, he was adopted in to a loving home!

### Greenberg, Wexler & Eig's charitable endeavors:

- Greenberg, Wexler & Eig genuinely enjoys giving back to the community. On behalf of each of our new clients, we made a charitable contribution to the charity of our client's choice. In 2016, we made over 100 contributions to 16 different charities.
- This past holiday season, we honored our clients by making a contribution to the Humane Rescue Alliance. This provided our clients with an opportunity to follow a specific pet through the entire process, hopefully resulting in an adoption into a loving home.
- David serves as a trustee of the Endowment Fund for the Jewish Federation of Greater Washington.
- Scott continues to serve on the Mid-Atlantic board of the American Heart Association and the National Capital Poison Center board.
- Keith continues to serve on the board of the Washington Home & Community Hospices.
